

Start Beginning First	End Finish Last	Time Age Lapse
Union Join Agree	Division Separation Struggle	Space Land Place
Ever All Full	Never None Lack	If....then ( need 2 cards) Condition Need
Decrease Less Small	Increase More Big	

This is one example of translation from the symbols to words, chose only 3, but if you want can add more, but think that then interpretation becomes harder.

Can change the selected ones if you feel that are more fitted to your area of research. Anyway I think that is better to keep it the more basic and simple as possible, cause more basic meanings allow to fit wider range of meanings.
